- Although Reco McDaniel may call you at anytime, it is up to each individual to schedule his/her appointments for the month. If you do not use your mentoring/coaching hours for the month they will not carry over.
- Continuous cancelled/missed appointments will be treated as hours used and appropriate fees will be charged. (48 hours notice would be appreciated)
- If during the course of working together additional expenses are incurred they will be passed along to the client.
- All fees for each month will be paid in advance.
